RESPONSE

In response to the action mailed December 17, 2001, please consider the following remarks.

Claims 46-78 stand rejected for obviousness-type double patenting over U.S. Patent No. 6,278,264. A terminal disclaimer is enclosed.

An Information Disclosure Statement was filed on November 1, 2001, prior to mailing of the Office Action. It appears that the documents "crossed in the mail". Applicant requests that the Examiner return an initialed copy of Form-1449 to indicate that the references have been considered.

Applicant asks that all claims be allowed.

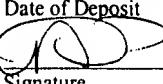

Enclosed is a \$130 check for the terminal disclaimer fee.
